MEMORANDUM FOR: Deputy General Counsel

STAT FROM:

  
Executive Director

SUBJECT: Annual Review of Designated Senior Officials

REFERENCE: OGC 84-51111, dated 4 June 1984, Same Subject

I have reviewed the positions currently designed to be "Senior Employee" positions in the DCI Area and confirmed those already listed. The position of Deputy Director of Legislative Liaison should be added to the list of designees. However, I do not believe the Deputy Director of Public Affairs, who occupies an SIS-1/2 position, needs to be considered in this category.

## REMARKS

Concerning [redacted] note, the Deputy PAO's position grade is an SIS-02, which should exclude him. In the same fashion, the Deputy OLL would seem to implement or explain policy vice making it.

In looking at the total list, some of the Group Directors in DDS&T (not on the list) would seem to exercise as much decision-making responsibility as an office director or deputy director listed that are also below the directorate level in size.

A particular note regarding the attached list of individuals within the E Career Service (Deputy Director of Public Affairs and Deputy Director of Legislative Liaison are not designated). You might want to particularly focus on whether these two should be within the scope of the attached memorandum.
